#### Relay for Life 2021

The totals for Relay for Life 2021 are finally complete. Again this year the Relay was not held in the usual manner. Covid 19 precautions, still being in place, caused the committee to meet virtually this year.

After much discussion, it was decided to hold a parade of teams down through Greencastle and back to the High School with a drive through luminary display.

The goal of the Relay this year was \$80,250.00. We fell short of that goal, however due to the circumstances with Covid, which affected the money brought in, we did raise \$58,429.00 .

The top 3 teams were: Greencastle Lioness - \$17,935.00

Salem Church - \$10,596.00

Never Give Up - \$3,294.00

The top 3 individuals with money raised were: Jan Eppleman - \$16,975.00

Linda Stoler - \$6,775.00

Jean Kahl - \$3,821.00

It was not the Relay for Life we looked forward to, but the committee did the best they could under the circumstances caused by Covid 19.

We are looking forward to Relay 2022. We will be having our Kick-Off meeting in October.

Hopefully, next year Salem Church can have our fundraisers that we did in past years.

Maybe next year, we can have a few more people join our team. This year we had only 2 team members, Jean Kahl and Linda Stoler.

Thanks to all who contributed and helped our community to recognize us as "The Little Church with the Big Heart".

## WON'T YOU COME OUT AND PLAY WITH US?

To all game lovers, game night will be Friday, October 22 at **6:00pm-please note the new time**-since in the past, we have had so many "snacks" it was like supper and the earlier time might make it easier for those that don't like driving at night. Please contact Jean Kahl if questions (or suggestions) and mark your calendars for the 17th for an evening of fun, food and fellowship. Thanks and see you there

## THE ARK PROJECT - Building the Modern Day ARK

We are currently raising money to provide an impoverished community with a way to make a living and provide the entire community with milk, eggs, honey and wool. Our gift also provides an income by supplying an abundance of goods to sell. It sustains farming by providing livestock to work the land and improves the lives of families for generations by multiplying and passing on the gift.

Heifer Int. mission is to end hunger and poverty while caring for the earth. For more than 70 years they have provided livestock and environmentally sound agricultural training to improve the lives of those who struggle daily for reliable sources of food and income.

Before our gift would be delivered the recipients need to pass the "12 CORNERSTONES FOR JUST AND SUSTAINABLE DEVELOPMENT" that forms the foundations of Heifer's International work. This partnership establishes a set of common values between the recipients and Heifer's Int.

The 12 cornerstones are: passing on the gift, accountability, sharing and caring, sustainability and self-reliance, improved animal and resource management, nutrition and income, genuine need and justice, improving the environment, full participation, training-education-communication, and spirituality. (Detailed info on each of these can be found on the Heifer Int. web page)

### MISSION BULLETIN BOARD
