## IN WORSHIP May 2020

Well, folks, this is officially the strangest time I have ever been through, and I know it's the same for all of you! Hopefully we will start to get back to normal sometime in May, but in the meantime, here's what we are doing for worship. We are doing our best to provide multiple ways for you to get worship and devotionals each week. What complicates things is that some of you are not online at all, some are online but only via email, and some are fully online and use Facebook and other media. Phew!

I am continuing in our study of the Gospel of Mark for our Sunday worship times. Here are your options:

**VIDEO:** With the help of videographer Andrew Gehman, I am recording a short service with music from one of our organists, prayer and message that is being posted Sunday morning on our church Facebook page (*Salem Church Waynesboro PA*) and church Youtube page (*Salem Church Waynesboro PA*). I am also recording short devotionals on scripture passages that I think are helpful during these crazy times - those are posted three times a week in the same locations. The amazing thing about these videos is that they are reaching an audience far beyond our local church family, which I believe is one way the Lord is working good out of this crazy time!

**EMAIL:** On Friday or Saturday I am emailing script copies of the week's devotionals and sermon to those on our church email list.

**SNAIL MAIL:** Once a week, our church secretary Bertie is sending printed copies of the devotionals and sermon to those who are not online at all.

**DRIVE-IN CHURCH:** We tried this on Easter Sunday to great success, and decided to continue for the duration of this crisis. Join us on Sundays at 10:45 a.m. Stay in your cars and tune your radios to FM 90.3. I will share in a worship time of prayer and the message. (*If you need to get out of your car to use the rest room, or if you wish to put your offering envelope in the offering plate, please wear your mask and practice proper distancing!*). Many thanks to Jean Kahl for getting the transmitter for us, and Sam Rose for figuring out how to use it!

Once we are able to worship together again, we will plan a huge combined worship celebration! But in the meantime, stay safe, stay healthy, and stay faithful. Blessings! Pastor Lin

*Each week we pray for members and friends of our church family, a sister church here in the Waynesboro area and her pastor, one of the countries where Christians are suffering severe persecution, and one of the ministries we support with our mission funds. Please join us in the ministry of prayer!*

## PRAYER REQUESTS AND OFFERINGS

Please continue to send your prayer requests to Sandi Barnett for the Prayer Chain. I will not share prayer requests online or over the FM drive-in due to privacy concerns.

*Also, we really appreciate your continued financial support. Please send your offerings to the church (our mailing address is on the back page) Attention: Treasurer-Sandi. Or you may place it in the offering plate during our Sunday Drive-In Service. Thank you!*

## SPECIAL OFFERING ~ PROJECT BIG LOVE

Our special offering for the months of May and June will go to support the work of Project Big Love. This community outreach project for needy children and families will be offered on Saturday, July 25th at the Mont Alto Fairgrounds. Funds are needed prior to the event to purchase shoes, school supplies and food to give to those in need. Salem Church has been a supporter of this project since its inception. On your offering envelopes please write "Big Love" in the "other" block, and the amount you wish to give. Thanks for your generous support!
